

showtime[®]

Hospitality and Leisure Needlefelt

showtime[®] nuance **showtime[®]** experience

40m x 2m

[showtime

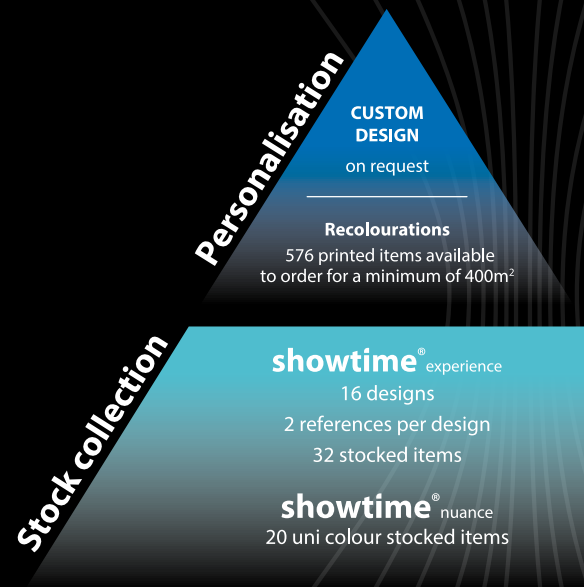

The Hospitality and Leisure sector is an exciting and complex world where all the elements of an interior scheme combine to deliver an experience for the occupants or users of each facility.

Spanning traditional, boutique and apartment hotels, to tourist accommodation, student halls of residence, cinemas, theatres and nightclubs, these richly diverse spaces demand a truly flexible approach to materials in order to convey the desired ambiance and support brand identity.

Working closely with Hospitality and Leisure Architects, Designers and End Users, the Forbo design team have created a new and flexible needlefelt flooring concept, which offers an exciting cost-effective alternative to conventional broadloom carpet.

showtime[®]_{nuance} is a range of uni colours which coordinate perfectly with **showtime**[®]_{experience}, a range of printed items composed of four key trends: Wonderlab, Metropolis, Ecosystems and Heritage.

In addition to the stocked collection of 20 uni colours and 32 printed designs, the concept is extended by the ability to easily recolour your chosen design. Finally, because your projects are unique, our design team can assist in the realisation of Custom designs according to your requirements.

[showtime[®] experience

WONDERLAB

An ode to high-tech and the digital world

METROPOLIS

Urban inspired networks and geometric designs

ecosystems

Natural theme inspired by plants and aquatic forms

HÉRITAGE

A tribute to timeless classic designs spanning tradition and modernity

The collection offers a large choice of uni colours which coordinate perfectly with the printed designs allowing the demarcation of individual spaces and the creation of different moods. The modern palette includes a selection of light colours with superior Light Reflectance Values in excess of 20% in order to reduce the power consumption of lighting systems.

The 20 colours are also available to order in Skirtings by contacting your local Forbo Flooring Systems representative.

Violet - 900227

Gris moyen - 900202

Technical and environmental performance

Resistance to traffic

- Excellent wear resistance with a wear layer of 100% polyamide
- Needlefelt construction gives optimal resistance to flattening
- 7 year wear warranty

Optimum acoustic comfort

- Impact sound resistance of 19dB and good acoustic absorption

Easy maintenance and hygienic

- The compact needlefelt structure does not allow dirt to penetrate deep into the surface avoiding soil build-up
- The textile surface holds dirt and allergens to the floor improving indoor air quality for occupants

Minimises environmental impact

- Manufactured using 100% green electricity
- Reduces power consumption of lighting systems through light colours having a high Light Reflectance Value
- Needlefelt manufacturing process is mainly mechanical reducing VOC emissions to $< 100 \mu\text{g}/\text{m}^3$, for class A+
- Uses 100% recycled polyester fibres in the backing
- Single colour printing with water-based inks reduces ink consumption and avoids the use of solvents
- Printing process uses a closed loop water treatment station for washing down
- REACH compliant containing no formaldehyde, pentachlorophenol or heavy metals

[Sample service

Samples of the stocked collection are despatched within 48 hours.
Samples of recoloured standard designs are despatched within 1 week.

To place your order, please contact your local Forbo Flooring Systems representative.

[Design service

Our design team is available to assist in the realisation of Custom designs according to your requirements.
Your local Forbo Flooring Systems representative will be pleased to discuss individual projects.
